DETAILED ACTION

Claims 28-48 and 53-56 are allowed. The following is an examiner's statement of reasons for allowance: claims 28 and 53 recite the specific combination of a casing having a display which is bordered by a frame, the frame having a passage arranged therein with a cooling fluid in said passage, the frame itself forming the passage for the cooling fluid, and a fluid-conducting communication device provided between the passage and least one electronic component inside the casing. Claims 29-48 depend on claim 28 and are, therefore, allowed for at least the same reasons. Likewise, claims 54-56 depend on claim 53 and are also allowable for at least the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anthony Q. Edwards whose telephone number is 571-272-2042. The examiner can normally be reached on M-F (7:30-3:00) First Friday Off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lynn D. Feild can be reached on 571-272-2800, ext. 35. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
